FRONT DESK!**

For several years, Footworks Dance Studio has provided students with an exciting performance experience through its annual Recital. This opportunity gives all students the chance to shine during a live, professionally directed show. The recital also allows students to present the results of a year's hard work, dedication, and progress to their families and friends.

A big part of the dance training process includes learning through performance. The experience helps build self-esteem, self-assurance, and contributes to a sense of confidence. An on-stage experience can result in better in-school presentations, improved social skills, and strong interview skills for future college or job opportunities. The rehearsal process is a tremendous learning experience as well. It helps the children develop retention skills, and by working with their classmates on a group performance, they learn the positive aspects of working as a team to create the best end result.

Dedication to recital commitments is the responsibility of both students and their parents. We've created this handbook in an effort to clarify expectations and inform you about the Footworks annual recital. It takes a lot of hard work, planning, and organization to make a recital successful. We make every effort to keep you updated and informed so the performance is enjoyable and memorable. Please take a few moments to read this handbook. It should answer many of the questions you may have, but if not, please ask us. We are here for you!

### Home Study

To ensure that the students feel confident about their performance, we ask parents and guardians to encourage them to rehearse their recital choreography on a regular basis. One of the best ways to do this is by watching the dance on video and dancing along. We encourage you to utilize your personal video recorders. When bringing in your video recorder, please be sure to ask the teacher the best time to record the choreography so as not to disrupt instruction.

### COSTUMES AND APPEARANCE

**COSTUME PICK-UP DAY, APRIL 15, 10A-1P; APRIL 17, 10A-1P; APRIL 20, 9A-12P AT THE STUDIO.**

#### Costume Distribution

Costumes will be distributed when all outstanding balances for the season (including tuition) are paid in full. Please check prior to Costume Pick-up Day to make payment arrangements at the front desk. Accounts on the automatic credit card payment plan will have final payments run on April 18th to ensure final payments are cleared. To ensure that there are no costume problems, students should try on but not wear their costumes, accessories, or tights prior to Dress Rehearsal and Picture Day, or the Recital performance.

**Due to space limitations, a costume not picked up by April 20th will be assessed a \$5.00 per day storage fee. This fee must be paid before costumes are distributed. Make arrangements with another adult to pick up and sign for your costumes if you know you cannot make the scheduled time.**

#### Alterations

Although rare, alterations and/or trim attachments are sometimes needed after the costumes have been distributed and are the sole responsibility of the student's parent or guardian. Please contact the Footworks Dance Studio office for recommended dressmakers/tailors.

## Costume Care

We recommend that each student's name be placed in his or her costumes, shoes, accessories, and tights. Keep accessories in the clear plastic bag with your child's name on the bag and on **each item**. Hats should be stored in a hatbox or similar container to prevent damage. Press or steam all costumes prior to the Dress Rehearsal and Picture Day as well as the Recital performance. Please do not wash costumes in your washing machine; dry clean them only (after the Recital) if desired.

## Tights

To ensure that there are no discrepancies in color and style, we have included a pair of tights with your costume purchase. Students are required to wear this pair. Please do not wear or wash the tights provided before the Dress Rehearsal and Picture Day, or the Recital performance. Tights are available at the studio if you choose to purchase a spare pair.

## Shoes

Costumes include all accessories needed for the performance (hats, gloves, tights, etc.) but not shoes. The style of shoe that is required for each dance class (as described in the registration information) is the style of shoe to be used in the Recital. All students should purchase the required footwear before the Dress Rehearsal and Picture Day. Review styles with your student's teacher, if needed. Take a few minutes and clean, remove stickers, and shine shoes so they are "show ready."

## Hair and Makeup

All students should wear makeup for their recital performance. It is up to the parent or guardian if you choose for your child to wear makeup for Dress Rehearsal and Picture Day. A bright lipstick, blush, natural color eye shadow, and mascara works best for girls. The boys sometimes wear a little blush. Wearing makeup really helps your dancer not look washed out by the bright lights on stage.

Teachers will be reviewing the hairstyles and how to incorporate hairpieces, if applicable, in class and at Dress Rehearsal and Picture Day. All students should wear their hair in the style designated by the teacher of their class.

## RECITAL TICKETS

Tickets go on sale April 29th and cost \$20 each (\$18.80+\$1.20tax). Any person attending multiple performances may receive a 40% discount that will be applied to the second and/or third show. Tickets **must** be purchased at the same time and in quantities equal to or less than the number of tickets purchased for the first show. No discounts will be applied to purchases of tickets not made at the studio. *If available, tickets will be on sale at the theater during rehearsal and the day of the show for \$20, CASH ONLY.* Seating is general admission and doors will open 45 minutes prior to the curtain. Saving seats will not be allowed, and all children age 2 and under must be seated on parent's lap.

We are often asked, "Why do we have to pay for tickets to the recital?" There are many costs associated with producing a show of the quality of our recitals: the auditorium and backstage rental for the performance and the rehearsal, paying the facilities manager and custodian support, props, lighting designer, sound and lighting techs, voice talent, music production, and much more. We do our best to stay within a budget to keep our ticket prices at the most reasonable cost possible so you and your family can enjoy the show!

## SHOW LINEUP

Many of you may be wondering how we go about producing the lineups for the show. The preparation is a slow and tedious process. We start by looking at how many students are in more than one dance and if they have siblings who are also in the shows. We then lay out the

shows based on keeping all these challenges in mind. As you can imagine, organizing many students becomes quite the task as we also try to design the shows with a nice flow and a variety of dance styles.

Please keep in mind that not every family will be able to see all their child's (children's) dances in one show. Unfortunately, it is an impossible task. We have done our very best to accommodate our families. If attending multiple shows, see Recital Ticket information in this handbook for discount details.

*Please refer to page 4 for your show time.*

## DRESS REHEARSAL AND PICTURE DAY

MAY 17, 18, AND 19 AT THE STUDIO  
SCHEDULED TIMES

Students should arrive at their scheduled time dressed in full costume and ready to be photographed. If your student is in more than one class, they will have multiple report times. All students are required to be present at the scheduled time for their class picture. There are no exceptions. If you are late, you will not be in the photo. We will be on a very tight schedule. Our photographer starts first with individual poses of each student, and then does the class as a group. Teachers will assist to make this process run smoothly.

There is no obligation to buy photos. Pricing information will be distributed on Costume Pick-up Day and Picture Day, and also available on the photographer's website: [soaringproductions.com](http://soaringproductions.com).

Following pictures, the class will rehearse their dance in full costume as a group. Teachers will use this time to review costumes and give any last minute suggestions.

*Please refer to page 5 for your scheduled time.*

# THE RECITAL REHEARSAL

MAY 31ST AT OCOEE HIGH SCHOOL AUDITORIUM  
SCHEDULED TIMES  
**DO NOT WEAR COSTUMES TO THIS REHEARSAL**

Participation in the Rehearsal is mandatory. The rehearsal allows the students to become familiar with the auditorium surroundings and feel comfortable with their performance while being on stage. Lighting, music cues, set changes, and all other logistics for an organized and professional performance are rehearsed so that the students make the best impression possible.

We do our best to run an organized and timely dress rehearsal. Your help and patience in this process will guarantee a professional production.

During Rehearsal, parents will also be practicing the check-in process for the day of the show. Students and parents will be given a tour of the backstage area prior to their child's on-stage rehearsal. Parents will be able to view the Rehearsal from the theater until their children are dismissed.

Address for Ocoee High School:

1925 Ocoee Crown Point Pkwy  
Ocoee FL 34761

*Please refer to page 6 for your rehearsal time.*

# THE RECITAL PERFORMANCE

JUNE 1ST AT OCOEE HIGH SCHOOL AUDITORIUM  
SHOWS AT 11:30 AM, 3:00 PM, AND 6:30 PM

Students should arrive at Ocoee High School **one hour** before curtain dressed in full costume and ready to perform. Please be prompt. Only ONE parent or guardian should bring the student to the Student Check-In table, located to the far right of the main auditorium entrance. Students will be checked in and placed under the supervision of their class mom(s). A parent or guardian will receive a colored wrist band when checking in the students. Students will remain backstage for the entire performance. Parents are not allowed in the dressing rooms after the children have been checked in for the Recital. If special arrangements need to be made or you are concerned about your child's costume changes, please let us know in advance.

If available, tickets will be on sale at the theater the day of the show for CASH ONLY. Seating is general admission and doors will open 45 minutes prior to the curtain. All shows will run about 1 hour and 15 minutes without an intermission. Please plan accordingly.

After the finale, the class mom(s) will bring the group to the backstage room and will wait to be picked up. **The only person allowed to pick up a student is the person who dropped them off and is wearing the wrist band.**

Please do not attempt to pick up your child during the performance. All students will be under the supervision of responsible adults and will be safe for the length of the performance. The dressing rooms will be stocked with various activities to keep the children busy while not on stage.

*Please refer to page 4 for your recital report time.*

## Recital Tee Shirts

This year tee shirts will only be available to those who place an order for them. Orders will be accepted April 4th - Apr 20th. Order forms and copies of the design will be available at the Studio only.

## Video and Photography

Parents or guardians may videotape or take photographs of their children at **rehearsals only**. Due to the large number of cameras, no electrical outlets will be available, so be sure your batteries are fully charged. Please note: No video or photography will be allowed at the Recital. There is also no eating, drinking, or smoking allowed in the auditorium.

## Backstage

Family members and friends are not allowed backstage or in the dressing rooms during rehearsals or the Recital. The same applies after the show. There is a lot of backstage activity in a limited space, and dressing rooms are a private area. Please remind your family and guests to be respectful of these areas. Those who wish to greet a performer after the show or present flowers should do so outside the pick-up area.

## DVD Purchases

Soaring Productions Media will professionally record the Recital and provide DVDs for purchase. No personal video cameras will be allowed in the auditorium as it disrupts the work of the videographer and interferes with guest viewing. Order forms will be available during the last month of class, at the rehearsal, and at the Recital for those who would like to purchase DVD's.

## Flower Bouquets and Recital Teddy Bears

The Footworks Dance Team will be selling presentation flowers and Recital Bears that you can purchase for your Dancer. Pre-sale information will be forthcoming.
